HAWAIIAN-STYLE—April Kass, Cynthia Schmon and Katie Bentzen get ready to hit the beach.

The Malibu Association of Realtors hosted their annual Beach Bash, but with a few new twists this year. Board President Bill Bowling, Jennifer Chrisman and Sarah Ribnick planned the party for Realtors and their families. The Space Shuttle Café turned more than a few heads on PCH, but the shuttle was really the caterer's commercial kitchen. Association members and their guests came from all around the Greater Los Angeles area to attend the party for fun and networking. Officers from the Los Angeles County Board of Realtors were special guests.

Gathered on the sand for a surprise aerial group photograph, guests danced to a band led by Realtor Lenny Goldsmith, who rocked the beach. Members won a wide variety of prizes donated by sponsors. The Malibu

Association of Realtors, founded in 1947, is the largest professional organization in Malibu with over 800 Realtor and affiliate members from the Los Angeles area, and is actively involved with both community and property issues and advocacy on the local, state and national levels, according to a press release.

SHADES—Bowling, Kim Collen Ross and Jay Rubenstein are ready to face the summer sun.
